Rehabilitation

After a hospital stay, it's important to take the time to fully recover from your illness or surgery. Briarwood Nursing & Rehabilitation Center offers Occupational, Physical, and Speech Therapy seven days a week.

In addition, the use of Accelerated Care Plus (ACP) modalities targeting pain management osteoarthritis and other diagnoses to further assist the patient with marked improvement.

Our experienced rehabilitation team is committed to providing exceptional results and quality care. Patients are empowered through individualized programs to reach goals of increased independence and ability. Families are also encouraged to participate in therapy sessions, caregiver education and training.

Additionally, we offer Restorative Nursing Programs 7 days a week to further assist patients after completion of their course of therapy.
